

DOSING EQUIPMENTS FRONT AX / UX GLASS- AND UNDERCOUNTER DISHWASHERS

WARE WASHING
ACCESSORIES - GLASSWASHERS / DISHWASHERS

SALES DESCRIPTION

Specially designed for Sammic glass- and dishwashers.
The peristaltic rinse aid doser is an optional accessory for all UX versions equipped with a hydraulic rinse aid doser. On all UX models, the detergent doser and the peristaltic rinse-aid doser allow to control the dosing of the chemicals from the control board.

AVAILABLE MODELS

- 2319685 Peristaltic detergent dosing kit for UX
- 2319686 Peristaltic rinse-aid dosing kit for UX
